MEMORANDUM FOR THE RECORD

25X1X7

SUBJECT: Approval Dates for Release of Chapter I on NIS 26 to [REDACTED]

26 June 1956 -- NIS Committee Meeting No. 222

State concurred

Army concurred with exception of photography, Section 19

Navy concurred, with exception of "Comments on Principal Sources"

At this meeting the Standard Editorial Instructions were modified, after which Navy withdrew its objections.

3 July 1956 -- Navy phoned that they wished to withdraw their concurrence because they now had other objections which were being submitted in a memorandum.

17 July 1956 -- NIS Committee Meeting No. 223

Navy's memo dated 11 July 56 was submitted and discussed, but no action taken because CIA was still investigating the photography in Section 19.

121

31 July 1956 -- NIS Committee Meeting No. 224

Objections in Navy's memo were reviewed, and after discussion Navy withdrew its objections and said they would concur if all the other agencies agreed to the release.

At this meeting Army reported they had boiled their objections down to clarification of photography in Section 19.

7 August 1956-- Air Force phoned concurrence, subject to clarification of Army's objection.

15 August 1956--NIS Committee Meeting No. 225

Vice chairman reported CIA still awaiting report on photography in Section 19. The members indicated no further objection, pending the outcome of the photography investigation.

25X1X7

Army was later notified of the outcome of the photography investigation, as reported in MEMORANDUM FOR THE RECORD, same subject. 29 August 1956

As recorded in NCM 225, release was subsequently authorized after sanitizing one paragraph in Section 19.
